To Whom It May Concern:

We are recommending *DK Moving "Villám Költöztetés" Kft.* as a contract mover.

*DK Moving "Villám Költöztetés" Kft.* had provided us with moving services to relocate our office in Budapest. We have found them to be a very reliable and service oriented organization. Their employees are courteous, their ability to get furniture where it needs to be phenomenal. They were on time, worked very quickly, were friendly, polite and extremely considerate with us. We were impressed with the level of professionalism and care demonstrated.

We would recommend *DK Moving "Villám Költöztetés"* organization and services to companies who seek professional moving providers.
